# Minitab.v16.1.1.Cracked-F4CG Serial Key Keygen

## Product, Upgrade Packs and Open Source

- Code is first released on OpenNTF
  - Available early and gives full transparency on what is being done
- Pieces from OpenNTF are extracted and delivered as “Upgrade Packs,” supported by IBM
  - Upgrade packs are delivered on a shorter release cycle than products
- Upgrade Packs are integrated into the next revision of the product
